The "Vision"

- **Municipal Plan (Kommuneplan) 2019**
Verdensby med ansvar "A global city with responsibility"
 - **Statuted in the Planning Act**
 - **4 years of "detailed planning", 8 year of "visions"**
- **Both planning the physical city development and the visions for the city's development**

Means

- **Co-create Copenhagen (Sammen om København)**
Is at the top, combining the green, the blue,
Climate (adaption and mitigation), citizens etc.
Visions for the green (Parks, trees), the blue
(Harbour area, bathing facilities), Climate
(adaption and mitigation), citizens etc. (A diverse
city)

Means

- **Climate Plan 2025 – Climate Neutrality**
The overarching plan; e.g. mobility, energy consumption etc
- **Continue to 2030 (2035) – “Climate Positive”**

- But no SUMP

**Why is
Mobility
so key?**

Challenges related to mobility

- Urban space
 - congestion, parking, city life, safety
- Environment
 - air pollution, noise, CO2, accidents
- Health
 - physical activity, pollution, accidents
- Social inclusion

Copenhagen World Capital of Architecture 2023 UNESCO.UIA

World Capital of Architecture

The city designated as World Capital of Architecture will become a global forum for discussion on the pressing challenges of our world, through the prisms of culture, heritage, urban planning and architecture.

"Connecting culture and architecture is essential to create inclusive, productive and sustainable cities and communities for all."

Through this initiative, UNESCO and the UIA are joining forces to develop urban solutions for the benefit of future generations through culture.
